### Elevating the Future of Foster Youth and Families in California

The Chief Probation Officers of California (CPOC) Foundation is excited to release registration for our Fourth Annual Continuum of Care (CCR) Conference! *Elevating the Future of Foster Youth and Families in California* conference will be held on April 6-7, 2020 at the Hyatt Regency Sacramento. As California continues to learn and build on evolving strength-based practices, we look forward to providing a two-day conference built upon further advancing our shared work to improve the well-being of foster youth, families and support teams across the state.

#### Areas of focus for this year's conference:

- Enhancing educational outcomes for foster youth;
- Improving services for extended foster care;
- Partnering for successful residential care;
- Meeting the needs of lesbian, gay, bisexual, questioning and/or gender nonconforming and transgender (LGBQ/GNCT) foster youth;
- Examining best practices for commercially sexually exploited children (CSEC); and
- Supporting home-based family care.

We are also pleased to announce that the provider forum will be returning this year. At this forum, attendees will have an opportunity to learn more about various short-term residential therapeutic programs (STRTPs) and foster family agencies (FFAs) serving, supporting, and caring for foster youth. We look forward to seeing you in Sacramento!

- Conference registration for one person is included in the table top rental fee.
- Additional attendees attending Monday only are \$100 per person. If additional representatives are coming for both days of conference they need to register for the conference at full rate of \$200.
- Each table includes a 6' table cloth, 2 banquet chairs and a wastebasket.
- Provider locations will be made by CPOCF. We will be placing STRTPs and FFAs based on their regional location throughout the state.
- The provider forum will take place on April 6, 2020. Additional details on set-up and forum hours will be sent separately.
