PARTNERSHIP FOR CCR SUCCESS: A Better Future for Probation Foster Youth

APRIL 16-17, 2018 | SACRAMENTO CONVENTION CENTER

REGISTRATION OPENS FEBRUARY 1, 2018

The CPOC Foundation is pleased to announce we will be hosting our Second Annual Conference on CCR, **Partnership for CCR Success: A Better Future for Probation Foster Youth**, on April 16 and 17th in Sacramento, California. Due to the high interest last year and impressive amount of information we have to share, this year's conference will be two days. Yes, you read that right, two days! So block your calendar now, and come ready to share what your county is doing and learn more about what your colleagues across the state are doing. This will not be a training conference but a conference meant to create an exciting space to share ideas, lessons learned and problem-solve.

WHO SHOULD ATTEND?

You! We strongly encourage all those who attended last year to come back and bring a colleague. This conference is open to probation departments, child welfare and behavioral health departments, community-based organizations, short term residential treatment program and group home providers, foster family agencies, court related agencies including judges, district attorneys and public defenders and state agencies, to name just a few. **Successful CCR implementation takes us all working together!**

HOTEL:

Sheraton Grand Sacramento **\$159** a night
1230 J Street, Sacramento *(not including state & local taxes/fees)*
