SB678 Legislation: Funding Process

Role of Data and the AOC

- ▶ Data drives the funding
- ▶ The AOC's major role in the funding process is to facilitate the collection of data so that probation can get rewarded for its successes
- ▶ AOC's other main role is to write a final report to the legislature

SB678 Data Timeline

▶ Funding Data (Phase 1)

- ▶ Number of probationers revoked to prison
 - ▶ A new offence or termination of probation
- ▶ Probation population
- ▶ Baseline of both revocations and population

▶ County Context (Phase 2)

- ▶ Felony convictions
- ▶ Prison sentences
- ▶ Filings
- ▶ Probation terms

▶ Programmatic Data (Phase 3)

- ▶ Money spent on EBP, types of programs offered, breakout of reasons probationers are revoked

Funding Formula

- ▶ Key measure is rate of probation failures compared to baseline 3-year average
 - ▶ Rates are compared within your county and across counties
 - ▶ DoF will determine the cost savings
- ▶ **Baseline**
 - ▶ Revocations
 - ▶ Probation Population
- ▶ **Each Year**
 - ▶ Revocations
 - ▶ Probation Population

State Prison Revocations

- ▶ Count of all individuals granted adult felony probation who were sent to state prison for a revocation of probation for:
 - ▶ A conviction of a new felony offense
 - ▶ A new crime resulting in termination of probation
 - ▶ A technical violation
- ▶ Other issues addressed in the FAQ:
 - ▶ Paper revocations, court supervision, dual supervision, warrant status, non-revocable parole, civil commitments

Probation Population
