SB 823 IMPLEMENTATION TRAINING SERIES

The Chief Probation Officers of California Foundation has partnered with Robert F. Kennedy National Resource Center for Juvenile Justice to deliver a virtual training series to Probation Chiefs and probation staff. This eight part module series supports a foundational framework for the local implementation of SB 823 that is focused on proven, successful evidence-based practices. Modules will incorporate adolescent brain research and positive youth development with an emphasis on trauma informed practices, family engagement, and race, equity and inclusion.

Training will be held virtually from 1:00pm to 3:00pm for all eight trainings.

Office hours will be held for each training module. See Pages 2 and 3 for Module Descriptions and Office Hour Information.

SB 823 IMPLEMENTATION TRAINING SERIES

Module 1: Implementation of SB 823 and SB 92 – STC #06005260

This module provides an overview of the key best practices in the field of youth justice in order to promote awareness and change at all levels of policy, practice and service continuum. The training provides an opportunity for participants to collectively learn about research informed practices that incorporate the understanding and application of brain science into case planning and case management. The training provides the foundation for the adoption of SB 823 and SB 92 and how they align with national best practices that can improve both youth outcomes and system performance.

Training Date: Monday, February 27, 2023 | 1:00pm – 3:00pm

Office Hour: Thursday, March 2, 2023 | 11:00am – 12:00pm

Module 2: Secure Youth Treatment Program (SYTF) Core Elements for Court Orders and Court Reports – STC #02431994

This module will present practical steps and considerations that will guide youth justice professionals in developing core elements for SYTF court reports to inform court orders. Participants will learn how to incorporate multidisciplinary input from educational and behavioral health partners, as well as youth and families, into SYTF recommendations to the court. Participants will learn of methods to identify implicit bias that may impact recommendations to the court.

Training Date: Monday, March 27, 2023 | 1:00pm – 3:00pm

Office Hour: Thursday, March 30, 2023 | 11:00am – 12:00pm

Module 3: The Individual Rehabilitation Plan – STC #02734446

This module will present practical steps and considerations that will guide youth justice professionals in developing the Individual Rehabilitation Plan. Participants will learn how to incorporate formal and informal assessments and input from youth, families and multidisciplinary partners into the IRP. Participants will learn about comprehensive behavioral health screening approaches, inclusive of trauma, mental health, and substance use to inform a comprehensive and targeted IRP.

Training Date: Monday, April 17, 2023 | 1:00pm – 3:00pm

Office Hour: Thursday, April 20, 2023 | 11:00am – 12:00pm

Module 4: Status Review Hearing – STC #01090559

This module will present practical steps and considerations that will guide youth justice professionals in reporting progress on elements of the IRP. Participants will learn what factors to consider when determining whether or not to recommend reduction in a baseline term and when to make a recommendation for a less restrictive program or release into community on probation. Participants will learn to effectively use the case management system to track relevant information for reporting progress in the hearing.

Training Date: Monday, May 22, 2023 | 1:00pm – 3:00pm

Office Hour: Thursday, May 25, 2023 | 11:00am – 12:00pm

Module 5: Preparing for Re-Entry – STC #02684335

This module will identify the best practice methodology for developing reentry and transition case plans. Participants will learn the core elements of a comprehensive plan to determine reasonable conditions of probation, treatment and program options to meet the developmental needs of youth to increase the likelihood of successful reentry into the community. This module will explore effective practices that involve the youth and family in developing the plan for reentry. Participants will gain the skill of communicating expectations for the youth's behavior aligned with the collaboratively developed plan for reentry.

Training Date: Monday, June 12, 2023 | 1:00pm – 3:00pm

Office Hour: Thursday, June 15, 2023 | 11:00am – 12:00pm

Module 6: Engaging Youth, Families and MDT Partners – STC #08523671

This module will present practical steps and considerations for effective family engagement and involvement practices which contribute to increased positive outcomes for youth and families within youth justice systems. Research reflects that working together with families to reach agreement on case plans reduces court time and costs and families more rapidly avail themselves to services. Participants will learn effective family engagement strategies that produce desistance from future criminal acts.

Training Date: Monday, July 10, 2023 | 1:00pm – 3:00pm

Office Hour: Thursday, July 13, 2023 | 11:00am – 12:00pm

Module 7: Working with Transition Age Youth – STC #02320340

This module will feature brain science research, innovation in policy and practice, and explore what it means to “get it right” with system-involved young adults. Participants will learn effective strategies for motivating transition age youth. Participants will also explore techniques and strategies for de-escalating older youth within the secure setting.

Training Date: Monday, August 14, 2023 | 1:00pm – 3:00pm

Office Hour: Thursday, August 17, 2023 | 11:00am – 12:00pm

Module 8: Positive Incentive Behavior Programs – STC #02315031

This module will present research informed principles and tenets that will guide youth justice professionals in the implementation of positive youth development (PYD) and incentive based behavior change practices. Participants will learn about the innovative Growth Focused Case Management approach to achieve desistance from offending and positive behavior change. Participants will learn methods of utilizing positive incentives, both tangible and intrinsic, to measurably reduce their risk that may result in a downward deviation from their baseline term.

Training Date: Monday, September 11, 2023 | 1:00pm – 3:00pm

Office Hour: Thursday, September 14, 2023 | 11:00am – 12:00pm
