Eligibility

- What is a nonminor dependent?
- WIC 11400(v):
- A dependent or ward who is all of the following:
 - attained 18 years of age while under an order of foster care placement by the juvenile court;
 - is in foster care under the placement and care responsibility of the county welfare department, county probation department or tribe; and
 - has a transitional independent living case plan.
 - *Youth must also agree to placement in a supervised placement in an eligible facility.

"...has a TILCP"

- Transition Independent Living Case Plan
- Defined in WIC 11400(y)
 - "updated every six months"
 - "goals and objectives of how the nonminor will make progress in the transition to living independently"
 - "assume incremental responsibility for adult decisionmaking"
 - "collaborative efforts"
 - "to ensure active and meaningful participation in one or more of the eligibility criteria"

Youth Over 18 Who Do Not Meet The Definition of an NMD

- For youth not under foster care order at 18 or ineligible for other reasons (e.g., not meeting eligibility requirements).
- Jurisdiction can continue for these youth until the youth reaches 21 years of age even if the young adult does not meet eligibility requirements for status of a NMD because court's continue to have discretion to maintain jurisdiction. WIC 303, WIC 607(a),
- Will not receive AFDC funding.

The Mutual Agreement

- A contract
- SOC 162
- WIC 11403(u)
 - "A written voluntary agreement of consent for continued placement and care in a supervised setting"
 - "documents the nonminor's continued willingness to remain in supervised out-of-home placement"
 - "and report any change of circumstances relevant to continued eligibility for foster care payments"
 - "documents the nonminor's and social worker's or probation officer's agreement to work together to facilitate implementation of the mutually developed supervised placement agreement and transitional independent living case plan."
- Not a condition of payment.

Participation Requirements

- Condition of payment (WIC 11403(b)(2))
- Legislature intent is a collaborative effort to maintain ongoing eligibility (WIC 11403(a))
- Youth must satisfy 1 of the following 5 requirements as documented in the youth's TILP:
 - Be enrolled in high school or equivalent
 - Be enrolled in college/vocational school
 - □ Work at least 80 hours/month
 - Participate in a program/activity that helps you find a job or removes barriers to employment
 - Be unable to do one of the above because of a medical or mental health condition

WIC 11400; WIC 11403; All County Letter 11-61

Important things to remember...

- Participation in extended foster care is voluntary. Youth may opt-out.
- NMD still has the same rights as any other adult.
- No action by court required to declare NMD status, happens without court order.
- Marriage does not disqualify. In re H.C., (2017) 17 Cal.App.5th 1261
- Child Welfare/Probation does not "have custody" of the NMD. wic 303(d)

Three Ways for Wards to Become Eligible for Extended Benefits

- Youth under the jurisdiction of the Delinquency Court pursuant to WIC 602 (who are still on probation) with an order for foster care placement at age 18.
- Youth no longer requiring jurisdiction according to WIC 602 because their rehabilitative goals as set forth in the case plan have been met. They are eligible to have their status modified to <u>transition jurisdiction</u>.
- 3. Eligible youth under 17.5 years old may resume or assume 300 dependency status if they are at risk.

WIC 450, 607.2, 607.3

AB 12 and Wardship

NMD's under 602 jurisdiction

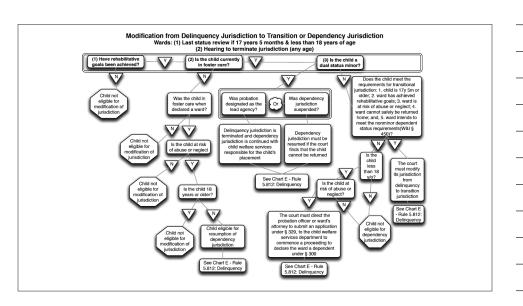

- Youth who remain under 602 jurisdiction past age 18 are nonminor dependents if they meet the definition of WIC 11400(v)
- WIC 607.2(b)(4)-court can continue delinquency jurisdiction over an NMD

NMD's under 602 jurisdiction Section 607.2(b)(5) does provide to option for the court to "continue its delinquency jurisdiction" without NMD status But placement likely not title-IV eligible NMD's under 602 jurisdiction Rehabilitation efforts continue A nonminor dependent who has not completed probation has limitations on adult decision making. Subject to the care, supervision, custody, conduct, and maintenance orders as described in section 727. Not required to complete the Mutual Agreement for Extended Foster Care (SOC 162). ■ WIC 303(d)(2) 602 NMD's Status reviews under WIC 366.31 required ■ Title IV-E requirements for NMD's are in play Should identify a permanent plan What if they aren't meeting eligibility requirements? Implicate funding? If they are participating in rehabilitative case plan, should be eligibility If not, consider other options

450 Jurisdiction

Youth Under Transition Jurisdiction

- Jurisdiction (WIC 450) for youth no longer on probation.
- Designed to encourage youth to take advantage of extended benefits without forcing them to remain under "delinquency" supervision.

Eligibility for Transition Jurisdiction-WIC 450	
 Delinquent youth whose rehabilitative goals have been met, 	
AND	
 Are between ages 18 -21 AND had a foster care placement order on the day they attain 18 years old 	
OR	-
 Are between 17 and 5 months to 18 AND have a current foster care 	
placement order AND (1) are not receiving reunification services, (2) do not have a permanent plan of adoption or guardianship & (3) return home is a substantial risk.	
AND	
Were removed from the custody of his/her parent or legal guardian by	
the dependency or delinquency court.	
When to Consider Transition Jurisdiction	
(Rule 5.812) Whenever delinquency jurisdiction is being dismissed if 17.5	
years of age, OR	
At the status review hearing held closest to the ward	
attaining 18 years of age, which must occur at least 90 days before the ward's 18th birthday:	
The Court MUST consider whether to assume transition jurisdiction	-
over the ward pursuant to WIC §450. The Probation Department must address this issue in its report to the	
court and make a recommendation as to whether transition	
jurisdiction is appropriate for the ward. Must also consider dependency jurisdiction if former	
dependent (WIC 727.2 (i), (j), rule 5.812(e)(1), (2))

court can modify youth's status to transition jurisdiction when it is prepared to terminate	
delinquency jurisdiction.

_ 110 100, 101 001.2 & 121.2(t)

at re-entry for eligible former wards who exited foster care and wish to re-enter.	
oster care and wish to re-enter. - WIC 450 & 607.2, 388(e)	

Supervision of Youth in Transition Jurisdiction Counties must decide whether Probation or Child Welfare will be charged with supervising youth eligible for AB 12/212 under transition jurisdiction based on the needs of the youth. WIC 451(c) It will be the responsibility of the counties to modify its protocol for Section 241.1 to include a provision for determining which agency shall supervise. The protocol must also address specifically what to do when a 300, 602 or 450 NMD are also under adult probation. WIC 241.1(b)(3); 300.3; 450 **Planning For Extended** Foster Care in the Juvenile Court Minor Approaching the Age of Majority Hearing ■ The last status review hearing prior to 18th birthday.

- TILCP required. wic 727.2(j); wic 16501.1(g)(16); rule 5.812(c)(2)(J)
- To inform the court about whether the child intends to participate in extended foster care, and if so, apprise the court of the status of the child's plan to meet the participation conditions of extended foster care.
- 727.2(i), (j) 16501.1(g)(16); rule 5.812

Minor Approaching the Age of Majority Hearing

- Report must address what efforts have been made to explain EFC to the child and efforts to assist in meeting eligibility requirements.
- Probation report must address the issue whether to modify jurisdiction and assume section 450 jurisdiction.
 WIC 727.2(i)(1)
- JV-460

Youth Under Delinquency Jurisdiction

- To continue AFDC-FC eligibility, at the last review hearing before an eligible ward's 18th birthday:
 - The court must ensure that the TILCP provides for the ward meeting one of the 5 participation conditions for EFC.
 - The Ward must indicate an intent to sign mutual agreement agreeing to participate and agreeing to remain in a supervised placement.

WIC 727.2(i)&(j)

*NOTE: Once the ward meets his/her rehabilitative goals, the court may assume transition jurisdiction over eligible youth.

What about youth not eligible for Transition Jurisdiction?

- If youth does not qualify for transition jurisdiction at the time court is terminating delinquency jurisdiction (i.e. under 17.5 years old), but the youth cannot return home because it is **not safe**, the delinquency judge decides if jurisdiction should be modified to dependency jurisdiction. WIC 607.2(b) & 727.2 (i)
- Procedural mechanism for modification would depend on whether child was a prior dependent.
 - □ If yes, court would re-open that petition (WIC 241.1(f); 607.2(b)(3)).
 - If no, court can order (defense counsel or probation) to apply for 300 petition pursuant to WIC 329 process. WIC 607.2(b) & 727.2 (i) (2)

Extended Foster Care-the court process

NMD's Responsibilities

- Resolve disputes when necessary, including disputes regarding:
 - Placement
 - Participation
 - Other issues that may arise

Contents of Hearing (WIC 366.31)

 - SW/PO is to ensure ample supports for the youth to remain eligible
 - Inform the youth of his/her right to have the Court's jurisdiction terminated.
 - Ensure that the social worker/probation officer is assisting the youth in meeting the participation conditions.
 - Reasonable Efforts-to finalize permanent plan and prepare for independence

Practice Tip: TILCP vs. TILP?

- These are two separate, yet closely related documents.
- The Transitional Independent Living Plan (TILP) is a 2-page form attached to the Transitional Independent Living Case Plan (TILCP).
- The case plan (TILCP) describes the goals and objectives of how the NMD will make progress in transitioning to living independently and includes sections of the court report narrative. The TILCP addresses the supportive services to ensure meaningful participation in one or more of the participation criteria described in section 11403(b), housing, and plans for transitioning to living independently.
- The TILP is the written individualized service delivery plan that identifies the nonminor's current level of functioning, emancipation goals and specific skills needed to prepare the nonminor to live independently.
- TILP forward looking and TILCP is what is happening currently
- WIC 11400(y), ACL 11-69, Rule of Court 5.502

More Effects of Legal Adult Status

- Hearings can only be attended by parties or participants "invited" by the youth.
 - □ Parents no longer provided notice. wic 295

Terminating Jurisdiction Over Nonminors

Hearing to Terminate Jurisdiction

- There are a number of reasons the court may terminate jurisdiction over a nonminor, including:
 - Youth opting-out
 - · Youth exiting because of age
 - Ineligibility
 - Youth can't be found and reasonable efforts to locate
- A hearing must be held prior to terminating jurisdiction pursuant to:
 - WIC 391 (for dependents), See also Rule 5.555
 - WIC 607.2 (for wards), See also Rule 5.555
 - WIC 452 (for youth under transition jurisdiction), See also Rule 5.812

Ineligibility

- It is the Court's role to determine if NMD is not participating in a reasonable TILCP.
 - The burden of proof of nonparticipation/noncompliance is on the Social Worker/PO.
 - Social Worker/PO must document reasonable efforts to provide NMD with assistance to meet/maintain participation in TILP activities.
 - Copies of NOA's go to NMD & his/her counsel, SW/PO, and the payee. wic 11403 (c)

What Must Occur at the Hearing to Terminate Jurisdiction

- SW/PO to ensure nonminor is present unless nonminor chooses to participate in the hearing telephonically/virtually.
- Court shall continue jurisdiction, unless
 - Nonminor does not wish to remain in care, or
 - Nonminor is not participating in reasonable and appropriate TILCP, or
 - Nonminor cannot be located and SW/PO documents reasonable efforts to locate nonminor.
- Prior to the Court terminating jurisdiction, it must inform the youth of:
 - Their right to remain in care
 - The benefits of remaining in care
 - □ Their right to reenter care if under the age limits
- 391 documents and service have been provided
- WIC 452; Rule of Court 5.555; JV-365; JV-367

Recent Court of Appeal decision ...

- In re Jonathan C.M. (2023) A165931
- Best interest standard of rule 5.555(c)(1)(A), (d)(1)(B)
- Where a probation department and juvenile court failed to consider the best interests of a nonminor dependent before terminating transition jurisdiction, the order terminating jurisdiction must be reversed and the matter remanded.
- Youth was not maintaining eligibility, but court still had to consider his best interest before dismissing.

Necessary Documentation at the Hearing to Terminate Jurisdiction

- Transitional Independent Living Case Plan wic 11400 (y)
- Most recent Transitional Independent Living Plan (TILP)
- Completed 90-day Exit Transition Plan. wic 16501.1(g)(16)
 Developed with the youth. Should be as personalized and detailed as the youth directs. Must discuss:
 - Options for housing, health insurance, education, local opportunities for mentors and continuing support services & workforce and employment services.
 - $\hfill \square$ Information regarding the advance health care directive form
 - Information regarding any current applications for SSI and Special Juvenile Immigration Status.

	RE-ENTRY			

The Basics of Re-entry

- Youth who have their case closed can re-enter unlimited times prior to no longer meeting the age eligibility requirements of NMDs.
- Youth must be informed of right to reentry at termination hearing.
- Re-entry process is intended to be as accessible and easy as possible.
- **The goal of re-entry is to permit youth to experience independence, while allowing a safety net.

A note on dismissal of wardship...

- Can dismiss jurisdiction entirely if they don't meet eligibility as a 450 or 300
 WIC 607.2(b)(6)
- Can turn around and re-enter as a 450

Two Ways to Re-Enter (Rule 5.906)

- Re-entry is requested by:
 - Signing a Voluntary Re-Entry Agreement documenting:
 - Willingness to re-enter foster care
 - Be placed in a supervised placement setting
 - Participate in eligibility requirements
 - Have a transitional independent living case plan
 - Participate in the filing of the 388 (must be done by social worker/probation officer within 15 judicial days or sooner by the youth/youth representative. wic 388(e))

NMD may appear telephonically

- NMD can sign VRA or submit 388(e) in the county of general jurisdiction OR the county of physical residence.

- Case and payment remains with the county of general jurisdiction over NMD. However, existing intercounty transfer (ICT) may be used.

Other Important Facts About Re-entry

- Youth must meet the age limits of 388(e) (over 18, under 21).
- A background check on the petitioning youth may be completed to assess appropriateness and safety of placing the youth in foster care with minor dependents. wic
 - However, convictions are NOT a bar to re-entry.
- If a former ward files for re-entry, the court may access a sealed file for limited purpose of verifying prior 602 status.
- IV-E eligibility for youth re-entering is based on "child-only case," not parental income.
